In re Application of
John G. Gribben, et al.
Application No.: 10/732,847
Filed: December 9, 2003
Attorney Docket No.: WYS-020.02

ON PETITION

This is a decision on the petitions, filed February 20, 2009, to (1) withdraw the above-identified application from issue under the provisions of 37 CFR 1.313(c)(2) and (2) correct a previously filed Terminal Disclaimer under the provisions of 37 CFR 1.182.

The petition under 37 CFR 1.313(c)(2) is **GRANTED**.

The above-identified application is withdrawn from issue for consideration of a submission under 37 CFR 1.114 (request for continued examination). See 37 CFR 1.313(c)(2).

Petitioner is advised that the issue fee paid on January 20, 2009, cannot be refunded. If, however, this application is again allowed, petitioner may request that it be applied towards the issue fee required by the new Notice of Allowance.¹

The petition under 37 CFR 1.182 is **GRANTED**.

Petitioner asserts that the Terminal Disclaimer filed September 23, 2008 does not list the correct owners of the instant application. A Terminal Disclaimer listing the correct owners has been filed.

As the examiner has concurred, the request can be favorably considered.

¹ The request to apply the issue fee to the new Notice may be satisfied by completing and returning the new Part B - Fee(s) Transmittal Form (along with any balance due at the time of submission). Petitioner is advised that the Issue Fee Transmittal Form must be completed and timely submitted to avoid abandonment of the application.

The application is being referred to Technology Center Art Unit 1644 for further processing of the request for continued examination under 37 CFR 1.114 and the Terminal Disclaimer filed February 20, 2009.

Telephone inquiries relating to this decision should be directed to the undersigned at (571) 272-3204. Inquiries relating to further prosecution should be directed to the Technology Center.
